Provide a short overview of your organization, as it relates to the project.* (Maximum characters: 700)

Provide a short overview of your project including how you will address policy, systems, and/or environment change.* (Maximum characters: 1,200) See guideline documents for definitions and examples (<http://livinghealthywc.org/2018/10/2018-19-partner-project-funding/>).

How will you sustain this project beyond SHIP funding?* (Maximum characters: 250)

How will you document your progress toward project goals? This may include photos, stories, counts of participants, focus groups, observational notes, interviews or surveys. If selected, staff are available to work with you to refine your evaluation approach. (Maximum characters: 250)

What is your total budget request?*

Active Living Equipment and Worksite Wellness dollar limit = \$5,000

Healthy Aging dollar limit = \$4,000

List the main activities you plan to implement for this project. Include a brief activity description and budget expense. If selected, SHIP staff will work with you to refine budgets and activities.*

The SHIP grant requires each project to provide an in-kind contribution that is at least 10% of the total grant request. How does your organization plan to meet this requirement? Please include all in-kind contributions (ex: staff time, supplies, equipment), including dollar amounts.*
